

Plastic Packaging statement

Product part number/product line

Sifam product line & Devlin product line

Devlin Electronics as a manufacturer, exporter and importer are constantly seeking ethical and sustainable ways to reduce waste and our environmental impact.

Devlin have taken the below steps to meet the Governments guidelines.

- Monitor and reduce the amount of plastic that is used in all our packing.
- We are currently contacting our supply chain, to ensure that our suppliers ethically source their plastic packaging to contain 30% recyclable material.
- Devlin is a small producer below the 10 tonne limit.
